Catering:**Refreshments:**

The 'Choice' retail outlet is open in the refectory from 9.30am - 2.30pm on Saturdays during term time, serving hot & chilled drinks, sandwiches and snacks. There are also vending machines available.

Library:

Separate Library buildings between Dorset House and Weymouth House. For reference use only. Open on Saturdays 9.30am to 6pm.

OU rooms:

All students and tutors should report to Poole House Main Reception on arrival to obtain details of room allocation.

Darwin rooms D002, D003, & D004 now have tablet chairs instead of tables and chairs. They are quite big tablet chairs and should have enough for coursework to be done but if you have any problems (as you are using these three rooms this weekend) or special requests from your tutors please do let me know. Also as we no longer have the Acland Building rooms mid-week as the college has taken them back for teaching purposes, there is now a set amount of tables & chairs in each room (or tablet chairs in Darwin/Jebb/Tuke Buildings) so there may have to have some excess furniture stacked at the side/back of each room.

Other facilities:

All seminar rooms include AV equipment and most should have OHPs. TV/Video players are being phased out. There is, however, the facility to play DVDs through the equipment in each seminar room and Internet access.
